**Dear Parents,**

**Digital Parenting Magazine**

Handed out today with this week's newsletter is the fifth edition of the Digital Parenting Magazine. The magazine contains advice from teachers, parents and online safety experts on subjects ranging from cyber crime to Snapchat. A great resource to get you thinking and talking about online safety at home. There is also a very useful guide at the back of the magazine about how to set up parental controls on operating systems, search engines, home internet, Internet browsers, devices, apps etc.
