

Volume 10 No. 5. 7th October 2016

Dates for the Autumn term

Dear Parents,

Gentle reminders:

Every now and again we have to send out some reminders to make sure the school is as safe and healthy as possible. So in the spirit of cooperation, here goes! Please can children and adults not ride bicycles or scooters on the school site at the beginning or end of the school day. Also as our stage is in need of some repair at the moment we are asking that it is not used at all. And finally ... Can children please not bring food and drink onto the playground in the morning. It is much better for them if they have breakfast at home

Individual photos:

On Thursday of this week, all children had photos taken. Proofs and instructions on how to buy copies will be sent out to all children in the next week.

Year 5 learn the art of didgeridoo playing:

Year 5 are currently learning about The British Empire - Australia and North America. On Tuesday they were lucky enough to have a visit from Paul Cook, an expert in the didgeridoo. He taught the children (and adults) the basics of playing the didgeridoo and he gave a brief performance to the whole school. There are lots of photos on the website.

Children's learning at Friars:

The children in Reception have been reading the classic book "The Tiger Who Came To Tea". Mazin looked at pictures of real tigers and thought carefully about shapes, colours and textures to help him produce this lovely painting.

Wednesday 12th October—

Secondary transfer application workshop for Y6 parents 9-10am
