Friday 27th November 2015

Dear Parents,

Jack Frost Parade

On Friday December 11th, in association with Emergency Exit Arts, we will be having a Jack Frost parade around the local area.

In the next fortnight all children will be making lanterns with their own wishes in them working with artists from Emergency Exit arts and Alike, one of our parents who is also an artist.

On the 11th the intention is that from 3:30 till just after 4pm the children will walk behind a huge Jack Frost puppet with their lanterns and a samba band in a parade around the local area. The parade will have stewards and police will be in attendance to ensure safety. In addition the children will be accompanied by school staff and we would like it if parents could join in too. Any children who would normally be in playcentre and not collected before 4:30 on a Friday will join in the parade.

All children who come on the parade will be brought back to the school playground and we will then have a short Christmas sing a long in the playground. The PTFA have very kindly offered to provide mince pies and other festive treats as well. The sing a long will be finished by 4:30 at the latest.

Please complete the slip below to ensure that children get home safely after what we hope will be a lovely community event.

Yours sincerely

J. Burt

Name of child and year group: _____

Signature of parent: _____

My child can take part in the Jack Frost parade and Christmas sing a long from 3:30 – 4:30 on December 11th

 Yes / No

I will accompany my child and take them home after the parade and singalong
