Dear Parent(s)/Guardian(s),

### **Parent Governor Elections**

The names of the parents who are standing as candidates in the Parent Governor Election are:

**Akeem Adio**

**Abiola Alabede**

**Ceylan Greer**

All candidates are invited to provide a written statement in support of their nominations and these are as follows (reproduced verbatim):

**Candidate name: Akeem Adio**

**Statement:** *I wish to present myself for re-election as Parent Governor. I have been a Parent Governor for 4years (and currently Chair of the Premises Committee). I have enjoyed being involved with the school. I am passionate about developing lifelong opportunities for children, and believe that good communication between the school, parents and pupils is essential and that parents play an important role in the school community. If re-elected I will continue to offer commitment, enthusiasm and determination to making a difference, striving for academic excellence and working to improve communication between Governors and Parents.*

**Candidate name: Abiola Alabede**

**Statement:** *I am an enthusiastic self motivated individual who always strives to achieve a high standard in whatever is undertaken. I have a 12 year civil service experience (home office). I had previously worked as a budget manager, managing the budgets of 8 directors. I have a child, Teniola Olayiwola, in the Nursery; I have interest in the UK education system, I am willing to learn more. I am very flexible in my approach to work. I would be bringing my budget management skills to the Governing Body, and would be agreeing to the policies if I am elected as a parent Governor.*

**Candidate name: Ceylan Greer**

**Statement:** *I have over 6 years experience working in education. I have a good understanding of how schools are run. I currently work in a school supporting children with behavioural difficulties and have worked in a mainstream primary school setting as well as an early education setting. I would love the opportunity to support Friars in being the best school it can be.*

I hope you will support the election by completing and returning the enclosed postal ballot form(s), which must be received by the School Office before noon on **Monday 10<sup>th</sup> November 2014**. Your envelope should be addressed to me, as the Returning Officer.

Please note each parent/guardian is entitled to a separate vote in the election and the number of ballot papers enclosed is based on the number of parents/guardians registered with the school.

Yours sincerely,  
J. Burt  
Returning Officer
