

Volume 10 No.32 26th May 2017

Dates for the Summer term

Dear Parents,

Busy week:

Despite the terrible events that happened in Manchester on Monday night, we have been able to press ahead as normal this week with all the trips we had planned. We did so as a result of taking wide ranging advice. We also took part in the 1 minute's silence yesterday to commemorate those who lost their lives.

So, Reception had a great time at the Shrek adventure, Year 2 learned all about chocolate at the Brixton chocolate museum; Y5 and 6 went to a great exhibition about science and technology in the future and today Y1 has taken part in a dance competition and Y3 are at the British Museum learning all about Romans.

Music over the summer and beyond:

The Centre for Young Musicians based at Morley College provides high quality music training for children. Lots of children attend the Saturday Centre for 32 weeks of the school year. They also have a summer music course coming up in July for which they are now taking applications. There is an early bird fee if you get the application in before the end of May. Please go to <http://www.cym.org.uk/cym-holiday-courses/> for more information. In addition we are looking to expand our instrumental tuition from the Autumn term 2017 to include guitars and brass. Watch this space.

Netball:

Our netball team began their season yesterday at GMH park. They played Charlotte Sharman school and the result was 3-0 to Friars. A great start and well done to all.

Children's learning at Friars:

Year 3 have been learning all about Romans this half term. They have found what it was like at school, at home and at work. Cassidy and Shay put a presentation together to show what they had learned. Below is a slide from their presentation.

New items in red

Monday 29th May to Friday 2nd June—half term break

Monday 5th June—summer 2 start; Y5/6 to Wick Court; remaining Y5/6 swimming pm *and doing enabling enterprise project*
