

Volume 10 No.28 28th April 2017

Dates for the Summer term

Dear Parents,

KS2 SATs:

From Monday 8th to Thursday 11th May, Year 6 will be sitting the KS2 SATs in Reading, SPAG (spelling, punctuation and grammar) and Maths. They have all worked incredibly hard this year preparing for the tests and have been very well supported by the staff. We wish them the best for when they sit the tests and show what they have learned. We will be speaking to the rest of the school in assembly next week about the need to support and encourage our Year 6 children during SATs week.

Food Waste:

Last term we had an assembly on recycling and Year 5 visited the local recycling plant. On Wednesday of this week, Sharon who works with Veolia, came to school to encourage Friars to use the food waste collection service. This is now up and running and all the waste from the mid-morning fruit snack, food preparation waste and lunch time 'scrapings' are now stored and collected by Veolia.

Children's learning at Friars:

In Year 4, the children drew self portraits in the style of Picasso. Mekere used a mirror to observe herself and looked at examples of his work to help her. She used oil pastels to create the image.

New items in red

- Monday 1st May**—Bank holiday
- Tuesday 2nd May**—Y5 to Science Museum; *writing and film making workshops for Y3 and 4*
- Wednesday 3rd May**—Y4 to Horniman museum
