

This half term Year 5 will be learning about the Victorians, including Queen Victoria herself and her place in history. We will be looking at the lives of every-day people who lived during the Victorian times and, in particular, the lives of children and their school days.

We will find out about the important laws for children that were made during this time and their impact on children's lives.

The children will experience what life was like in a real Victorian school-room when we visit the Ragged School in Bethnal Green!
