

**Volume 11 No.2 15th September 2017**

**Dates for the Autumn term**

**Dear Parents,**

**Growth Mindset:**

We are well underway with becoming a growth mindset school. Thankyou to the parents who attended the presentation on Tuesday. The teachers have been focussing on it in class and in addition our assemblies this week have focussed on the attitudes of successful learners.

**British Values and Social Moral Spiritual Cultural development agreement**

The agreement which supports the school's legal obligation to promote fundamental British values and SMSC. and a new copy of the e-safety, digital Imagery, local trip permission and curriculum participation agreement have been sent out this week. Please sign and return by Friday 22nd September.

**After school clubs:**

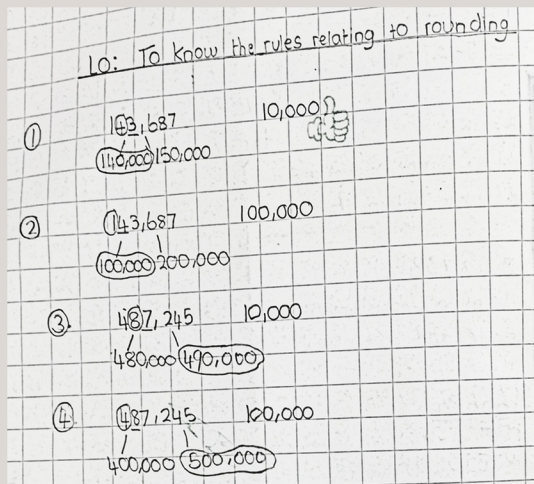

We have had lots of applications for after school clubs. We hope that places will be allocated next week and they should start the following week. Please note that if there are any outstanding fees from last academic year, your child will not be able to take part in any clubs.

**Gentle reminders:**

In the interests of health and safety, please remember: the only earrings that are allowed in school are studs or sleepers; children and adults must not ride scooters or bikes on the site at any point in the day; breakfast should be eaten at home and not on the playground in the morning! Thankyou for your support.

**Children's learning at Friars:**

Year 6 have started the year as they mean to go on by working with some very big numbers. Safiya showed that she understands the rules for rounding numbers up or down. She very effectively demonstrated her understanding to the whole school in assembly yesterday whilst honestly saying that it had been a challenge for her!
