

## FREE as a bird

If you see me in the sky don't be afraid to say hi,  
I'll be here I'll be there you can see me anywhere,  
Because I'm as free as a bird.

I'm not stuck on the ground  
I'm flying free in the sky,  
Enjoying my life because I'm as calm as the sky.

People want to be like me and I say that's easy  
Just believe that's what I do  
That's why I'm as bright as the sun.

I'm bold as in brave I believe anyway  
If I'm sad I try to be happy and that's why I'm as strong as the moon.  
SO listen to what I say

Enjoy your day  
That's what I do and that's why  
I'm as free as a bird.
