

The Path To Freedom

Like a bird leaving the nest

Starting a free new life

Ecstatic for what awaits

Nervous to start again

I'm like the wind whistling swish, swish

Blowing to its own pace

Not waiting for time

Are you willing to take the risk?

Are you willing to take the opportunity?

It has its ups and down

Perseverance is one of the keys

Take that leap of faith

Happiness is like the strong oak trees

It comes at its own time

But once it comes it never goes

Happiness can be shared around

Don't be put off by any challenges

When you fall get back up again like a spring

The easy path is straight forward the righteous path is hard

The path is long and hard but the freedom is eternal
