**Dates for the Summer term**

**Dear Parents,**

**KS2 SATs:**

Next week, our brilliant Year 6 children will be sitting their end of KS2 SATs in spelling punctuation and grammar (SPAG), reading and maths. They all deserve to do as well as they possibly can as they have worked incredibly hard in the lead up to the tests. They have also been really well supported by a whole range of staff but not least, of course, by Mrs Wignall the year 6 teacher and Kenny, the Year 6 TA. We spoke in assembly this morning about the rest of the school being supportive and understanding next week.

**Hot weather and uniform:**

As the weather improves, our dress code accommodates the need to remain cool and comfortable. As such, children can wear summer dresses and shorts as long as they conform to our dress code (please see <http://friarsprimaryschool.com/useful-information/#link8>). Please note, children should not wear open toed sandals for safety reasons.

**Laces:**

On the subject of footwear, quite a few of our children have been walking around with their laces undone recently. We always ask them to do them up and if they can't do them we do it for them. But please can parents encourage children to learn how to tie their laces at home.

**Children's learning at Friars:**

Year 1 have been learning about fractions in maths. But they didn't just do work in their books about it. Oh no, they went much further in seeing how fractions work in the real world by making and designing their own pizzas! So not only did their understanding of whole numbers, halves and quarters improve but they also got to measure ingredients, work with food safely and have a tasty snack!
