

**Volume 11 No.25 4th May 2018**

**Dates for the Summer term**

**Dear Parents,**

**Parent open morning:**

We are going to have to postpone our parent open morning next week to avoid any disruption for our Y6 and Y2 children as they are in the midst of their assessment period. There will be one more chance for you to see children's learning in action on Thursday 28th June.

**Netball season:**

Next week our netball team will be starting their season at GMH park. There will be matches every Thursday after school throughout the summer term. Good luck to the team!

**Impact workshops:**

Every class in the school has now had a specific parent impact workshop with Nursery finishing the process off this week. The workshops have mainly covered the basic skills of reading, writing and maths. They have all been well attended and parent evaluations have been overwhelmingly positive. We will most definitely be carrying on with this initiative next academic year.

**Y3 to Thames Explorer Trust:**

Year 3 had a fascinating time at the Thames explorer trust by the Tate Modern yesterday to tie in with their learning about London. They learned about the history of the Thames and they then mud larked and beachcombed which are ways of looking for historical artefacts.

**Children's learning at Friars:**

Year 4's CLJ unit this half term is on Europe. They have been learning some important historical and geographical skills as well as gaining a lot of knowledge about different countries. This week they have been learning about Germany and in our learners as teachers assembly yesterday they shared a very informative PowerPoint with the school. Did you know, for instance, that it is illegal to hang your washing out to dry on a Sunday in Germany?!

**New items in red**

**Monday 7th May**—school closed for May Day Holiday

**Thursday 10th May**—Netball match after school at GMH park

**Week beginning 14th May**—KS2 SATs week

**Thursday 17th May**—Netball match after school at GMH park

**Wednesday 18th July**—Y6 production and graduation (7pm)

**Friday 20th July**—last day of the school year.

**Growth mindset thought for the week:**

"If we only did things that were easy, we wouldn't actually be learning anything. We'd just be practicing things we already knew."  
— David Dockterman
