

**Volume 11 No.30 6th July 2018**

**Dates for the Summer term**

**Dear Parents,**

**Summer holiday activities:**

There are a couple of initiatives that we have been notified about over the summer holidays for families who are entitled to free school meals. One is "Summer Fun Tuesdays" at St Georges church, Borough High Street. The other is the holiday club run by Southwark Council, central Southwark community hub and Mercato metropolitan. Both programmes will involve lots of fun activities and free lunches. We have put flyers up at the front of school. If parents need any more information, please contact us.

**EYFS seaside trip:**

Sadly, the EYFS trip to Littlehampton had to be postponed at the last moment this week. This is because there was a fire near the coach depot of the company we were using and they were not allowed to let any coaches be used until they had been checked for safety. We are looking into alternatives at the moment and we made sure the children had a great pool party in the EYFS playground on Wednesday

**Health week and sports day:**

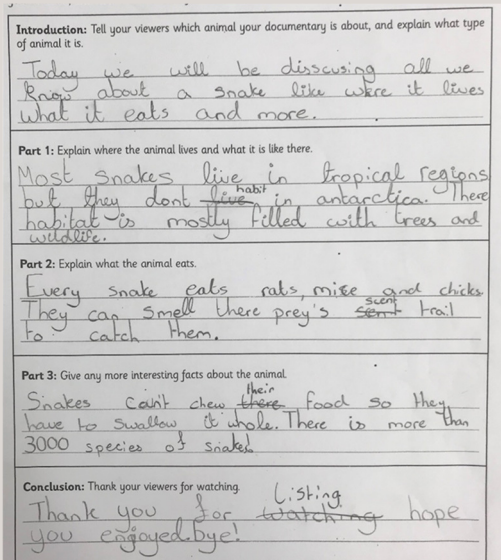

A letter was sent out on Monday about next week's health week and a separate letter was also sent out about sports day next Wednesday. They are also posted on the letters page of the website.

**Netball news:**

Throughout the summer term our netball team have been playing regular matches in the Southwark tournament. Yesterday they got through to the quarter finals. Despite a valiant attempt with great sportsmanship they lost out to a place in the semi finals in extra time. Well done all!

**Children's learning at Friars:**

Carrying on our work on the environment this half term, Y5 have been researching David Attenborough and have thought about how to write a documentary about an endangered species. Jeylan wrote a very clear documentary about snakes!
