Dear Parents

Parent Governor election:

There were no nominations received for the Parent Governor vacancy, the deadline for which was yesterday. We will be writing to parents soon about what we intend to do about the vacancy.

Parent IMPACT workshops:

Y4 had a well attended IMPACT workshop this week which gave parents a vital opportunity to learn how we teach your children and how they can help them at home. It is Y6's turn next Wednesday, and Y2 the week after that. We hope you can make it.

Parent coffee morning:

Next Thursday (22nd November), we are having our half termly parent coffee morning from 9-9:30. This time we hope to be joined by our school nurse who will be on hand to talk about the work she does in schools.

Anti bullying week:

This week we have been raising awareness about bullying using the anti bullying alliances theme of "Choose respect". We have talked to the children about respect, being kind and courteous is a choice we can and should make. We have also retaught the children that bullying is something that is deliberate, unkind and most importantly, repeated.

6	$\sqrt{4} + 4 + \sqrt{4} - \sqrt{4}$	✓
7	$(4 + 4) - (4 \div 4) = 7$	✓

8	$(4 + 4) \div 4 \times 4 = 8$	✓
9	$4 + 4 + (4 \div 4) = 9$	✓
10	$4 + \sqrt{4} + \sqrt{4} + \sqrt{4} = 10$	✓

Year 6 have been learning about BODMAS, which is an acronym that helps us understand what order to do calculations when there is more than one operation going on. Sonny was given the challenge of only using the number 4, 4 times and BODMAS to come up with calculations that gave specific answers (in the work above the answers were 5,6,7,8,9 and 10). He definitely met that challenge!

Growth mindset thought for the week:
