

Tuesday 4th November 2014.

Dear Parents,

Parent governor election

Statements of nominated candidates and ballot papers for our parent governor election have been sent home via pupil post today.

Each registered parent/guardian is entitled to a vote and therefore most envelopes contain 2 ballot papers. Where we have registered addresses of parents who do not live at the child's address we have posted statements/ballot papers.

Statements/ballot papers have been given to the oldest sibling in each family and to children without siblings throughout the school.

On the applicants statements it states that the deadline for returning ballot papers is Monday 10th November. **Please note that we have extended this deadline to TUESDAY 11TH NOVEMBER, to give a full week's response time.**

Please also note that there is only one parent governor vacancy so you should only vote for one candidate. Any ballot papers that have more than one cross on them will be treated as spoiled.

Yours sincerely,

J. Burtt
