Volume 10 No.24 17th March 2017

Dates for the Spring term

Dear Parents,

Comic Relief:

Next Friday (24th March) we will be celebrating comic relief. A letter went out explaining what we will be doing yesterday. It is also on the letters page of our website. We are looking forward to seeing some crazy hair, hearing some amazing jokes, tasting some delicious staff made cakes and watching a brilliant dance performance.

Nursery provision from September 2017:

We sent out a letter yesterday outlining the changes to Nursery provision at Friars from September 2017. A copy of the letter is also on the letters page, admissions page and news page of our website.

New website:

Before the end of this term, we will be launching our new and improved website. It will have the same address and all the same information as the current site but should be easier to find your way round.

School funding:

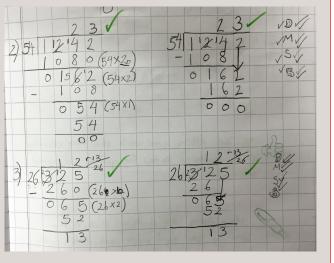

We sent out a letter 3 weeks ago about proposed changes to school funding. The government is consulting on a new formula for calculating how much funding each school receives, and schools across Southwark could lose out on hundreds of pounds per pupil. We cannot support a move that threatens the fantastic progress made by London schools. Join the national parent-led campaign

<u>www.fairfundingforallschools.org</u> or email <u>southwarkfairfunding@gmail.com</u> to get involved. You can share your views with government by emailing <u>minis-</u>

ters@education.gov.uk before the national consultation ends on 22 March.

Children's learning at Friars:

By the end of Year 6 children need to be able to do the traditional formal method of long division. Selena has shown here that she can use the chunking method and the formal method to solve division problems.

New items in red

Monday 20th March—YR eye exams

Tuesday 21st March—Y5 to "Into University"; Y3 to Museum of London; Y4 ukulele performance to whole school and parents 2:30
