Dates for the Summer term

Dear Parents,

Spring 2 application focus day outcomes: This half term each class up to Year 5 did some amazing application focus work. Early Years looked at growth and did experiments with coloured water and celery, Y1 made a dinosaur book, Y2 painted elephant pictures after their research on endangered animals, Y3 learned about the water cycle, Y4 designed contour maps and Y5 analysed slapstick films. Please enjoy some examples below and have a lovely Easter all!
