

Volume 10 No.29 5th May 2017

Dates for the Summer term

Dear Parents,

Year 4 trip to the Horniman Museum:

On Wednesday of this week, Year 4 enjoyed a trip to the Horniman museum to see their Robot Zoo exhibition. They found out about how chameleons change colour and what makes grasshoppers leap so high. They were able to discover the mechanisms that give animals their amazing abilities. They saw larger-than-life animals that have been made using a variety of familiar machine parts and gadgets to reveal how their real life counterparts see, eat, hunt and hide. This ties in with their literacy work on Zoo by Anthony Browne and their CLJ unit on endangered animals.

Year 6 SATs:

Next week Year 6 will be sitting their KS2 SATs. Best of luck to them all. They deserve to do well!

Children's learning at Friars:

Year 6 have been learning about South American artists. One of their favourites was Antonio Segui who is from Argentina. Sheliyah has very impressively created her own piece in the style of Segui.

New items in red

Monday 8th—Thursday 11th May KS2 SATs

Tuesday 16th May—Y5 to Into University

Wednesday 17th May—Y6 to London City Mission
