

Dear Parents,

Autumn term parent consultations:

Thankyou to all those parents who attended the autumn term parent consultations this week. We hope you found them useful. Y3 parents, please remember that your consultations are on **November 29th**, 1:30—6:30. The sign up sheet is available in the reception area.

Impact workshops: Y1

The next Impact workshop is for Y1 parents on Tuesday November 14th. Miss Sullivan will be explaining some of the strategies she uses for reading and phonics. Parents will then be able to practise these strategies with the children. We hope that as many parents as possible are able to attend.

Punctuality:

A gentle reminder! School starts at 8:55 every day. It is really important that all children are waiting in their line as soon as the bell goes. This is so that they do not miss out on any precious learning time. In addition it teaches them the important life skill of being ready and on time for things!

Y6 Jazz performance tribute to Rosa Parks:

"The only tired I was, was tired of giving in ..."

These inspired words from Rosa Parks formed the basis of Year 6's triumphant performance at the Royal Festival hall on Wednesday this week. Along with seven other Southwark schools and the expert guidance of jazz musician Pete La Tanka and his amazing band, they wrote and performed songs in tribute to Rosa Parks. It was a wonderful event to be a part of and all who attended were very impressed. Have a look at the photos on the website!
