Dear Parents.

Ballet Rambert workshops:

A select group of children in KS2 have been working with Ballet Rambert on preparing for a dance performance on May 2nd. Although all children already have a weekly dance lesson with Chantal we always look out for opportunities to promote the children's cultural and physical development.

Book Amnesty:

This is a plea to all parents! Could you have a good look around at home to see if you have any reading scheme books or any other books belonging to the school. We hope that you can return them if you find any. Also if you have any good quality books that you no longer want, we would always be happy to take a look and take them off your hands.

Mobile phones in school:

On the 18th January, we put a note about children's mobile phones in the newsletter. As most parents in Y5 and 6 will now be aware, if a child is to bring a phone into school, parents must sign a permission form stating the reasons why they want their child to have a phone in school. We have given a deadline of Monday 25th March for the permission slips to be returned. If a child has a phone in school after Monday without a permission slip, it will be confiscated and returned to a parent only.
