Dates for the Summer term

New items in red

Dear Parents.

Su1 curriculum:

All parents should be getting their Su1 curriculum information leaflets home today and they will be posted on the website. In the coming weeks we will be sending home information about the changes we are making to our curriculum from September.

Parent cooking classes:

Parents may have seen in the term dates on the right of the newsletter some cookery classes for parents coming up. Unfortunately the provider is now having to change the dates. Please look out for some new dates and information in the newsletter in the coming weeks.

Personal safety workshops:

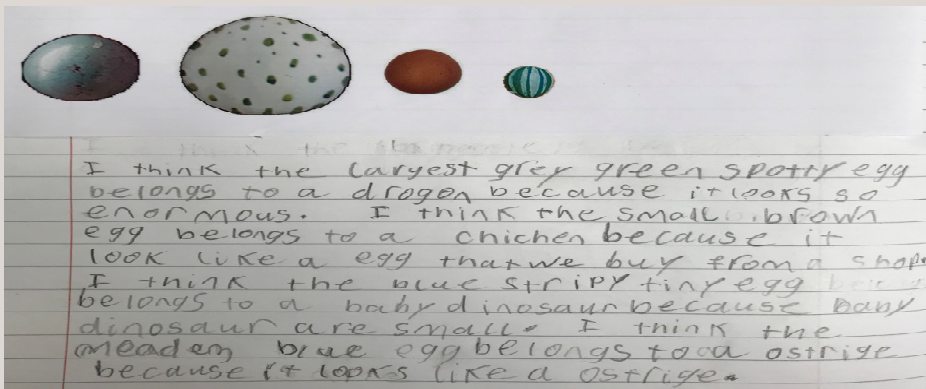

This afternoon, Y5 and Y6 had a visit from PC Dom Williams to help them learn about taking responsibility for their personal safety outside of school. He talked about the dangers of becoming involved with gangs and / or knives. He also talked about the consequences of becoming involved in criminal behaviour. He works alongside the Southwark Police Primary School Engagement Officer who's remit is to help primary children understand in an age appropriate way about personal safety.

Staffing news:

We said goodbye to Emma, one of our agency teaching assistants today. She is off to work for Age UK and we thank her for all her efforts and wish her well for the future.

Children's learning at Friars:

Year 1 have kicked off their new CLJ unit on Amazing animals by reading the brilliant book, "The Odd Egg" by Emily Gravett. They had to predict who different shaped eggs might belong to using good descriptive language.
