School lunch tasting session

On Tuesday of this week, ISS our caterers, hosted a tasting session for parents so that they could experience what children have for lunch on a daily basis. It was a very well attended event. Parents had the full lunchtime experience, queueing up and sitting at our lunch tables. Their children also came in at the end of the school day to share their experiences. Steve,

Hassan and Freda from ISS were keen to take parental feedback so that they can ensure lunchtimes are an enjoyable, tasty and healthy experience for the children.

Harvest contributions

As always at this time of year we like to think about Harvest and how we can help people less fortunate than ourselves. We ask if you are able to make contributions to our harvest table next week. The contributions will then be taken to the Webber Street homeless shelter. Below is a list of contributions that are most welcome: Baked beans; Granulated sugar; Brown Sauce and ketchup (no glass bottles please); Cordial; Instant coffee; salt and pepper (small shakers for tables); Porridge Oats; Bars of soap; Shower gel; Shampoo; Toothbrushes; Shaving foam.

Curriculum update on website

Following on from the parent workshop on the 11th September we have now updated the curriculum section of our website to include all of the changes we have made. You will be able to find a whole school curriculum map alongside specific maps for subjects and year groups along with an explanation of our curriculum intent, implementation and impact. The year group maps can be found on the individual class pages.
