Internet safety and Valentine's day cakes

Safer Internet Day
2020 | **Tuesday**
11 February

Together for a better internet

Next week is Safer Internet Day. It is designed to empower young people to take control of their digital lives. For 2020 we are putting the focus on online identity and asking young people to consider whether they and their peers are truly free to be themselves online. Children throughout the school will be doing a range of activities and there will be specific assemblies on Monday and Wednesday.

To celebrate the end of half term, Valentine's day and to raise some money for the school, Miss Foster, Miss Castillo and Lindsey will be running a Valentine's day cake sale at 3:20 on February 14th. If you are able, please donate cakes on the day. We prefer shop bought cakes as the ingredients can be easily identified. If you do make your own please send them in with a list of the ingredients you used. We look forward to it!

Thought for the week:

"Compassion is
an action word
with no boundaries."

-Prince

Hockey tournament

Year 5 represented Friars extremely well on Wednesday of this week at a hockey tournament run by the London PE School sports network. Although they did not win, they played well as a team and were able to put into practise their learning in recent PE lessons. In addition Natahlia won the overall tournament "most valuable player award".

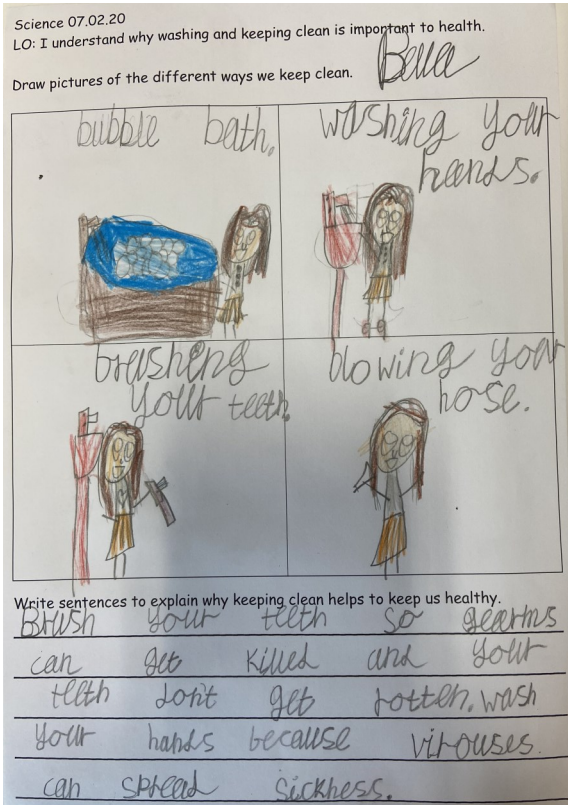

TfL junior citizenship course

On Thursday of this week Year 6 attended a junior citizenship course. They learned about the importance of staying safe in different environments, about stranger danger, what to do if there was a fire at home and about internet safety among many other important and valuable things.

Children's learning at Friars:

Year 2 have been learning about animals including humans in science. They are developing their understanding of the importance for humans of exercise, eating the right amounts of different types of food, and personal hygiene. This week they have focussed on sharing their understanding of how to keep clean. Bella came up with some excellent ideas!

"I came up with the ideas about how to keep clean by myself. Brushing teeth is important because it makes your breath smell nice. I brush my teeth two times a day!" Bella, Y2
