

The Friars Half term scavenger hunt. February 2021.

During half term, try and get some exercise every day. If you go for a walk, can you spot the following items?

A bird in a tree	Flowers starting to grow	A dog with its owner	Buds growing on a tree
A squirrel	Two red items	One yellow item	One white item
A slide in the park	Builders working on a building site	A boat on the Thames	A zebra crossing

When you have found the items, insert a photo, draw a picture or write about what you saw. After half term, your teachers might ask you to share on Google classroom.

Have fun and BE SAFE!!!
