Dear Parents,

Changes to start and finish times from Monday 17th May 2021.

We hope you all keeping well and looking forward to improved weather. This letter is to inform you of changes to the start and finish times for the school day as of Monday May 17th 2021. This date is significant as it coincides with step 3 of the COVID roadmap where restrictions to daily life should be eased further.

You will see from the table below that we will have two classes at a time coming in and leaving. This will enable children to get into their learning more quickly and hopefully make life easier for parents and family doing drop offs and pick ups. Please be patient when dropping off and picking up, however, as we will be having two classes at a time leave through one gate. The general rule will be that the younger of the two paired classes will come in and leave first.

Year group	Start time	Finish time
YN and YR	8:45am	3:15pm
Y1 and Y2	8:50am	3:20pm
Y3 and Y4	8:55am	3:25pm
Y5 and Y6	9:00am	3:30pm

Please also note the following:

- Part time nursery children will still finish at 11:45am every day.
- There are no changes to Breakfast club and playcentre times (7:45am-8:45am for BC and 3:25pm-5:45pm for PC)
- Any children that have been having early morning interventions with teachers and/or TAs will now be asked to come in at 8:30am on the days they are currently having the interventions.

As ever, these changes may have to be reviewed at short notice depending on how the current COVID roadmap progresses.

Yours sincerely,

J. Burt.
