### Newsletter

Vol 14, No.23 Friday 11th June 2021

## Relationships. Sex and Health Education (RSHE):

Thankyou to those parents who attended the Google meets to hear more about our RSHE programme this week. We hope you found them useful and it was really useful to hear your views and concerns as it helps us make sure the programme is taught as carefully and sensitively as possible.

#### **Mrs Wignall returns:**

Mrs Wignall returned from maternity leave this week. It is great to have her back. She is spending most of the half term working with children from all classes on an exciting new art project for our new building.

#### New building art project:

Although we moved into our new building in January 2020, we have not really had the chance to adorn it with high quality displays and artwork because of the pandemic. Now Mrs Wignall is back we are putting together several pieces that will be in different rooms in the building. We sent a text out earlier in the week asking for dona-

tions of old cds/dvds that you no longer need for one of the pieces. Thankyou to those already sent in. They do not need to be in a useable condition and please do not send them in with cases or sleeves.

#### This half term's focus value:

Although we live and breathe all six of our values every day, we have a focus value each half term. For the final half term of the year we will be focussing on creativity in all its forms.

## **Tuesday 15th June**—Y5 to take part in virtual "Young Voices" concert

**Wednesday 16th June**—drama workshops for EYFS and KS1

**Wednesday 22nd June**—Y5 with Into University all day

**Week beginning 12th July**— Health week

**Wednesday 14th July**—Sports day at GMH park

**Friday 16th July**—End of year reports out to parents; health week sponsored event and wellbeing afternoon

**Wednesday 21st July**—Y6 performance / graduation (live or recorded: COVID dependent)

**Friday 23rd July**—last day of school year. Year 6 leave at 12 noon.

## Thought for the week:

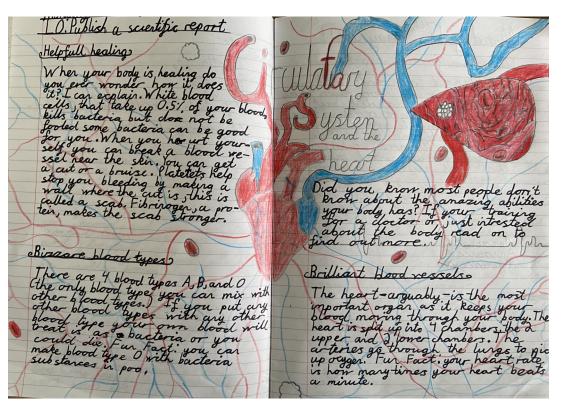

"Think left and think right and think low and think high. Oh, the thinks you can think up if only you try!"

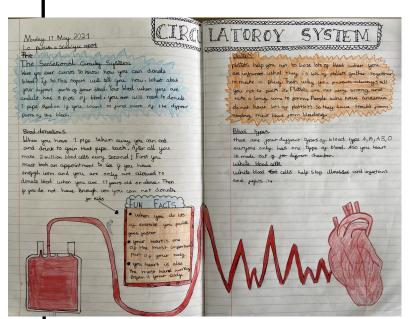

- Dr. Seuss

Have a lovely weekend!
Yours sincerely,
J. Burtt, Headteacher:

## Children's learning at Friars:

Year 6 have been doing some amazing writing at the same time as developing their understanding of the circulatory system and the heart. They wrote in a fun and accessible style using heir own language to write clear explanations.

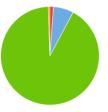

These two pieces of writing were done by Enelda and Alex.

### Attendance:

**93.38%.** Well done to **Y3** who are the best attending class this week with **99.94%.** 

The green section of the pie chart shows the percentage of children who are in school.
