

Summer School

We are delighted to be offering a week of Summer School at Borough Academy for students who will be joining us in September. The purpose of this initiative is to assist these students with the transition to secondary school in a year where so much of students' school experience has been disrupted.

Summer School will not be focussed on academic lessons; the activities will be based on engagement and building relationships with staff and students.

Attendance at Summer School is completely voluntary; students who do not attend will not be adversely affected once Year 7 does begin in September.

The details of Summer school are:

Dates: Monday 26th July to Friday 30th July

Time: 10:00 – 14:30 each day

Students need to bring lunch with them each day.

Please be aware that all students should be dropped off and collected by parents for the duration of Summer School.

If you plan for your child to attend Summer School, please complete the online form [here](#).
