Dear Parents and Carers,

Today is one of those bitter sweet moments. We are saying goodbye to our Headteacher, who we will miss very much, whilst being happy that he is moving on to "bigger" challenges and will be supporting a number of headteachers and schools.

We are sure you will join with us in giving deepest thanks to Justin Burt, for his dedication and commitment to the Friars' community for the last fourteen years. This truly is the end of an era!

It is a shame that current circumstances mean the children and staff will not be able to say farewell to their headteacher collectively. However, many children and parents have spoken with Justin and it is to be hoped that he knows what a positive impact he has had on so many children in the time he has led our school.

We wish Justin the very best of luck in his new role and hope that when he hears great news about Friars in the future, he will know that it is the result of building upon the strong foundations he has created.

Best Wishes,

Maddy Webb
