Newsletter 9th September 2022 - Welcome Back!

Dear Parents,
Welcome Back! We were so excited to welcome your children back into our schools on Monday. Welcome also to all of our new children and families, we hope you are already starting to feel part of our school communities. Please see your school page below and remember to join your school and new class twitter.

If you missed your meet the teacher session on Wednesday please catch up with your child's class teacher at the end of the day in the playground.

You will have been emailed a letter this week regarding the expectation for your child's school attendance of 97%. Please read this letter carefully and support your child to attend school everyday on time.

Have a lovely restful weekend and see you on Monday, the gates open at 8:45am.

Robert Browning, Snowsfields and Tower Bridge SCHOLARPACK APP

Do you have access to the scholarpack App? If not, please contact your school office for an access code. From 1st April 2022 we will only be using the App to communicate with parents, we will no longer be sending texts. When you update your phone, you will need to contact the school office for a new access code.

Queen Elizabeth II 1926 - 2022

Today at the Bridges Federation the children and staff together, spent time reflecting on the inspirational life of Queen Elizabeth II who sadly died yesterday on 8th September age 96, our Queen for 70 years. Please find here a link to a BBC Newsround report which many of our children watched today: [Newsround Queen Elizabeth II](#)

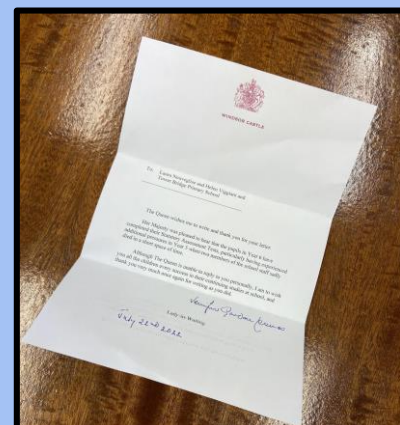

Please find here the link where you can send messages regarding the Queen and also some information if your child is upset by what they see and hear in the news: [Newsround messages about the Queen](#)

We feel privileged to have been part of the Queen's Platinum Jubilee celebration this year. This historical event will remain in our memory as a testimony of her dedication and hard work.

This week Tower Bridge School received a letter from Windsor Castle on behalf of the Queen, who we wrote to last term about our amazing Year 6 class who showed such resilience having lost Lisa and Katie so suddenly from their class staff team last summer.

Tower Bridge Primary School

Welcome back!

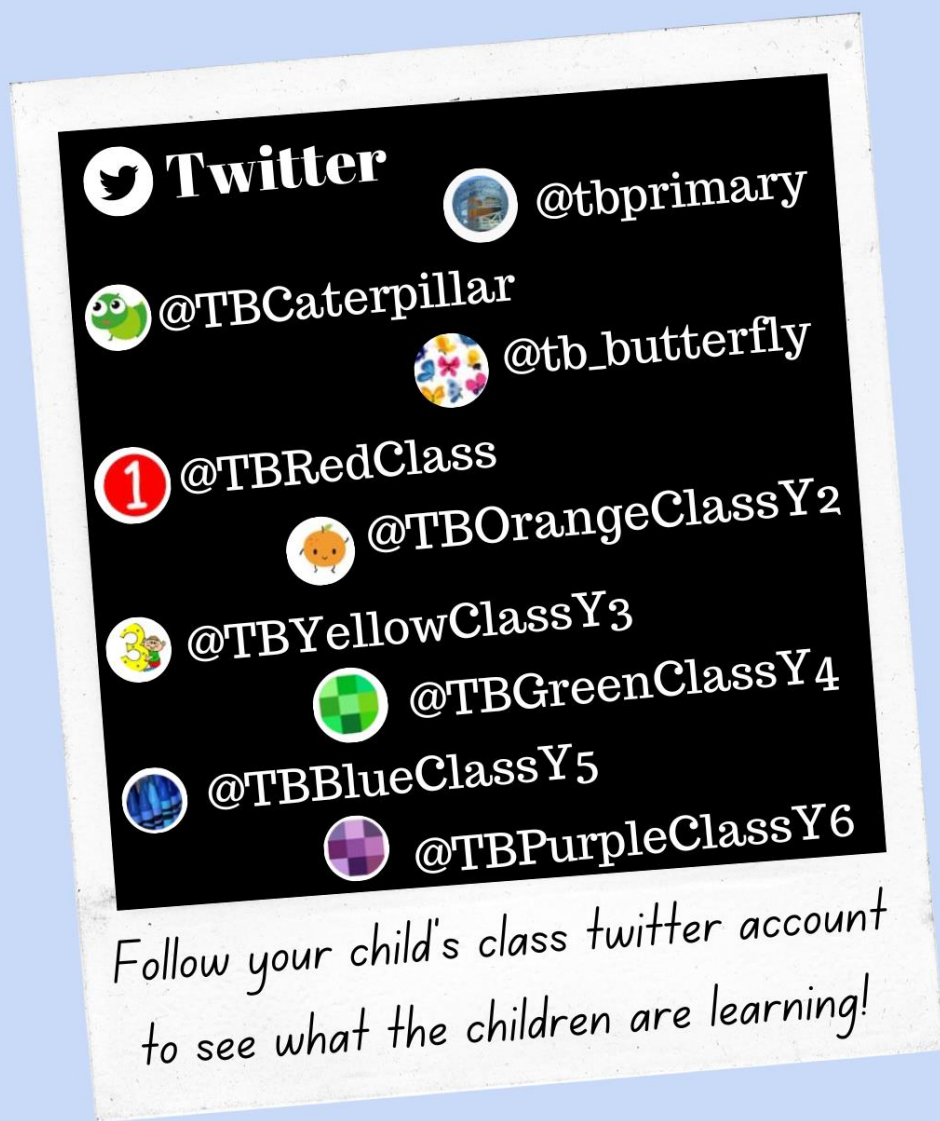

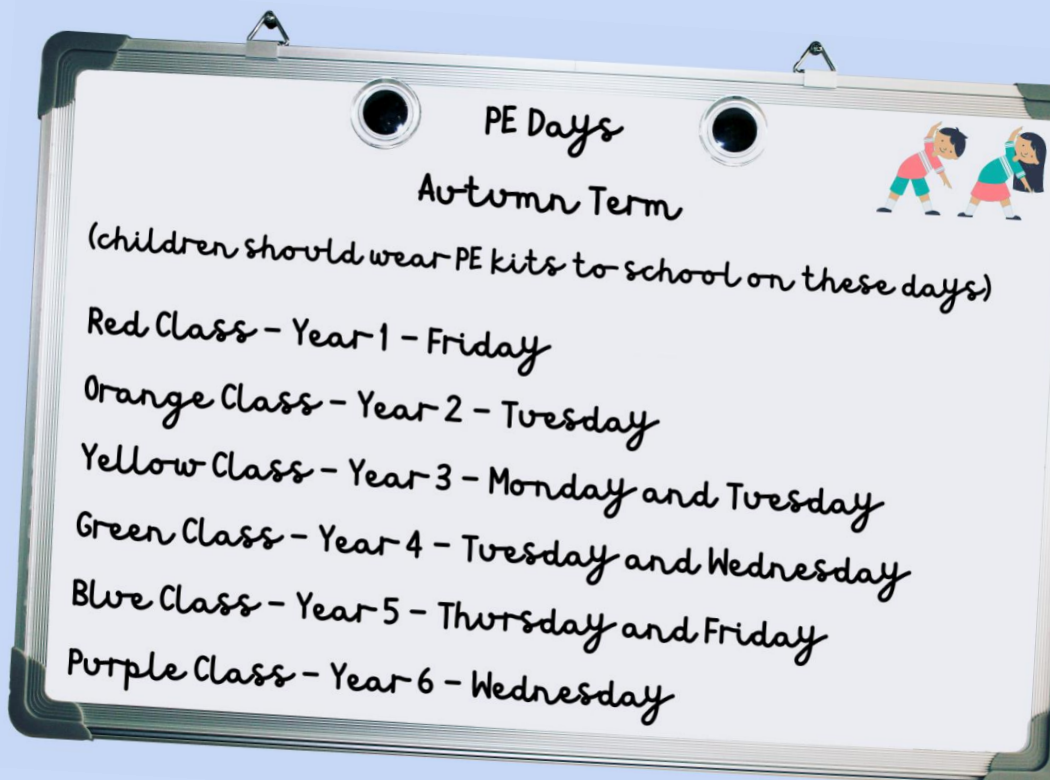

Thank you to all parents who came to meet the teacher this week. Please use the school app if you need to speak to staff. You can also use the app to inform us if your contact details have changed.

Pre-loved Uniform

If you have any school uniform which you no longer need, please bring it to school as we are planning a pre-loved uniform event later this term.

All children can have a bagel when they arrive at school in the morning. We don't want children to be feeling hungry during lessons as this affects their concentration. Please remind your children to take one - especially if they didn't have breakfast!

A huge welcome back to all our families! We hope you all had a wonderful summer. It has been lovely to see all the children return to school and settle so quickly into the new routines.

Thank you to everyone who attended the 'meet the teacher sessions on Wednesday after school. It was great that you were able to come into school and see the classrooms. If you were unable to attend, please make sure that you collect the information that was shared from the class teacher.

YOUNG MARKETEERS

by Roihanna, Izrael, Fatouma, Lola, Salman and MJ, Robert Browning Primary School

BACK in March, Tom from School Food Matters visited our school and told us all about an exciting opportunity.

We learnt about the Felix Project and how they are tackling hunger and food poverty. Schools were invited to take part in the Young Marketeers project.

This involved growing our own produce and selling it at the famous Borough Market in London to raise money for the Felix Project. As a class, we felt privileged to be taking part in doing our bit to help our local communities.

With our green fingers ready and creativity flowing, we set about growing our

produce. Unfortunately, we had a disastrous spring, so all of our produce died. With sale day looming, we were in a bit of a panic! Fortunately, the nursery children had grown some lettuce, rhubarb, herbs and tomatoes.

Armed with our goods, we set off to Borough Market. What an amazing experience! It was wonderful to see other schools and be a part of such a wonderful event.

As a group of schools, we managed to raise over £500 for the Felix Project. What an achievement!

PE Kit

Children should wear their PE kits on their PE days- you were given this information at the meet the teacher meetings on Wednesday. Please note that there are sometimes additional sessions- so look out for messages in the Scholarpack App!

It was fantastic to see our school in First News over the summer.

The children really enjoy taking part in this project! Thank you to Shanaz who leads on this in school.

BREAKFAST BAGELS

Just a reminder that all children can have a bagel when they arrive at school in the morning. We don't want children to be feeling hungry during lessons as this affects their concentration. Please remind your children to take one - especially if they didn't have breakfast!

Friars Primary School

Welcome Back!

We were delighted to welcome back all our families and hope that you all had a great time over the summer break. It was also a pleasure meeting our new families and seeing how quickly the children settled in their new classes.

Thank you to all the parents who attended our 'Meet the Teacher' sessions on Wednesday.

If you have missed this meeting please ensure to catch up with your child's teacher after school. All the handouts teachers shared with the parents will be also uploaded on your child's Google Classroom.

In year 4, we started off the term with a team building PE session!

We love being in Nursery! We are having so much fun learning new things!

This is our first Daily Mile of the year!

In year 1, we sorted and counted objects. It was really fun!

To stay up to date with all the lovely learning opportunities and experiences the children are offered at Friars primary school please follow us on twitter @Friars SE1

Y6 Parent Workshop

As discussed during the Meet the Teacher session, we will be running a secondary transfer workshop on 15th September at 5.00 pm.

REQUIRED TO START A.S.A.P.

Midday Meals Supervisor at Snowsfields Primary School

10 hours per week – term time only

Grade: 3 Point: 2-6 – £5,403 per annum

AT THE BRIDGES FEDERATION WE LEARN AND SUCCEED TOGETHER

The Bridges Federation of Schools are working together to provide excellent opportunities and exciting learning for all our pupils. We believe that every child has the potential to succeed and that it is our job to make that happen. We see every child as an individual and have a strong commitment to inclusion. All schools are situated in fantastic locations with excellent transport and community links.

We are looking for a flexible, reliable and dedicated Midday Meals Supervisor to provide a complementary service to existing teachers and pastoral staff in a school setting in addressing the needs of pupils during the lunch time period.

Are you dynamic, enthusiastic and committed to improving the opportunities for young people; someone who believes all children deserve the very best and are able to offer this, and are ready for a challenge?

Do you have:

- Experience of working with children
- Experience of caring for children
- Experience of working with children with SEND
- Ability to communicate effectively with staff at all levels within the school
- Excellent communication skills, written and oral
- Experience of working within a team and ability to organise one's own tasks

A Job Description for this position can be obtained from our Senior Federation Business Manager, Michelle Owens. Applications should be submitted to Michelle Owens by the closing date shown below and should cover all the points of the Person Specification.

If you require any further information regarding this position, please email Michelle Owens, our Senior Federation Business Manager: mowens@snowsfields.southwark.sch.uk.

Closing date for applications: 9am Monday 26th September 2022

Interview date: Tuesday 4th October 2022

The Bridges Federation is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. An enhanced DBS check, references and medical clearance are required for the successful applicant.

To: Parents/carers of children in primary schools

Dear Parent/Carer,

[The NHS is offering children aged 1 to 9 in London a polio vaccine.](#) This will either be a booster on top of your child's routine immunisations or a catch up dose.

There are signs [polio may be spreading](#) in London and the number of children vaccinated in London is lower than it should be. Boosting immunity in children should help protect them and reduce the risk of the virus continuing to spread. The NHS will contact you with information on how to book an appointment.

Make sure your child is up to date on their other vaccinations for the new school year

As we return for another school year, it is important to make sure that your child is up to date with their childhood immunisations, particularly if they are joining primary school for the first time.

Your child should have had the **pre-school booster**, and two doses of **MMR** before they start school. Check your child's **red book** (personal health record) to see if your child has had their jabs.

It is also recommended that children aged 5 and over get a dose of the COVID-19 vaccine, and take up the offer of the flu vaccine when offered it in school, in order to stay safe and well this winter.

For more information see:

nhs.uk/MMR

Yours faithfully,

Sangeeta Leahy
Director of Public Health
Southwark Council

If your child is aged between 5 and 9 years old, you can book a vaccine appointment directly at:

- Guy's Hospital – visit [tinyurl.com/ GSTTPolioBooking](https://tinyurl.com/GSTTPolioBooking)
-
- King's College Hospital – call 0203 299 9405 or email kch-tr.vaccinebookings@nhs.net.

What Parents & Carers Need to Know about

ROBLOX

Roblox is one of the most popular video games on the market. By 2020, the game's makers were claiming that more than half of children in the USA play it. As a 'sandbox' title, Roblox offers a huge amount of creative freedom: it lets players create their own gaming experiences with the Roblox Studio to build custom levels and games, which can then be shared with other players online. Roblox fosters creative thinking and enjoys a robust online community of fans.

WHAT ARE THE RISKS?

CONTACT WITH STRANGERS

Roblox encourages players to communicate online (including a group chat facility). This could expose children to risks such as scammers, online predators, harassment, griefers and more. The in-game chat has some filters, but isn't perfect: players can still send harmful messages to others - such as scam links or general hostility - while predators can reach out to children directly.

PUBLIC SERVERS

Roblox has private or VIP servers which allow people to play exclusively with their friends, but this costs money. Most Roblox players will instead be on public servers that anyone can join. Servers can host games which focus on all kinds of aspects, including direct player interaction. Some games and servers, therefore, will put children more at risk of contact from strangers than others.

ONLINE DATERS

These are also called 'ODers' and are quite common in Roblox. An ODER is an individual who joins a game with the intention of finding someone to date online - and eventually meet in person. Such online dating is against the Roblox community guidelines, but this usually doesn't deter ODERs. Some player-built Roblox game worlds have even been designed with online dating specifically in mind.

IN-APP PURCHASES

Roblox is actually free to download and play, but bear in mind that there are some hidden costs. Players are encouraged to make purchases in the game, for example, using real money. People can also buy extra Robux (the in-game currency) to spend on cosmetic items in the game, while it's possible to purchase a private or VIP server.

Advice for Parents & Carers

SET PARENTAL CONTROLS

Roblox comes with several parental control options, which are explained well on the game's official website. It's essential to enter the correct date of birth for your child, as that allows Roblox to automatically apply the appropriate chat filters. The game also allows parents and carers to set monthly spending restrictions and monitor their child's account.

DISABLE PRIVATE MESSAGING

Roblox's private messaging function raises the risk of children being contacted by people they may not want to speak with - potentially leading to bullying, harassment, toxicity and scam attempts. The game allows you to disable messages from anyone who hasn't been added as a friend on your child's account.

PRIVATE SERVERS

If your child has some genuine friends to play Roblox online with, paying for a private or VIP server decreases the risk of contact from strangers. Even then, however, some players could invite other people - who might not necessarily be child friendly - into the private server. If your child is a Roblox fan, it's important to talk with them regularly about who they are playing the game with.

MONITOR SPENDING

If they don't understand they're using real money, it's easy for children to accidentally spend a sizeable amount in the game. Using parental controls to place limits on their spending will help avoid any nasty financial surprises. Ensuring that you have two-factor authentication on your payment accounts also makes it harder for your child to spend money inadvertently.

DEALING WITH STRANGERS

At some point in their development, your child will need to learn how to deal with strangers online. Show them how to block and report any users who are upsetting them or asking uncomfortable questions. Talking to them about what's OK to discuss - and what they should never tell a stranger online - will help them understand how to communicate with other people online safely.
