

Friday 27th January 2023

Coming up soon is our Children's Mental Health Week (6th-10th February). There will be lots of events happening during the week and a letter detailing these will be coming out soon. An important date is Thursday 9th as we will be welcoming parents into school from 3.30pm to enjoy fun activities with their children and other families.

Our term dates for next academic year are on the school website in the noticeboard section:

Gentle reminders

Punctuality:

It is very important that children arrive at school on time so they don't miss out on any learning. The gates open at 8.45am and all children should be in school by 9.00am

Reading:

It is very important that your child reads regularly at home and brings their book bag to school so we can change their books.

Year One

This week in maths we have been ordering and comparing numbers to 20. We built towers to match our given number and then lined the towers up from smallest to greatest.

In science we have continued to look at materials and their properties. This week we looked at which objects are transparent and which objects are opaque. Then we talked about which materials were commonly transparent and which were opaque.

Year Four

In DT we are going to be making our own seasonal soup. We have been investigating what vegetables are in season in the UK throughout the year. This week, we visited our local supermarket to find out where all the vegetables, that are on sale, come from. We were surprised to find that some of the vegetables are flown into the UK from as far away as Peru!

25.01.23

L.O. to investigate what seasonal vegetables are in our local supermarket

I can visit the local supermarket

I can record where vegetables come from

I can make suggestions why foods are imported

I can make suggestions about what vegetables are available to make fresh soup

Today we will visit the local supermarket

We will record as a group where vegetables 'come from' and then suggest as to why this is

Vegetables	Country of origin
Leeks	UK
Butternut Squash	Spain
Mushrooms	Ireland
Carrots	UK
Pak Choi	Spain
Curly Kale	Spain
Broccoli	Spain
Potatoes	UK
Onions	UK
Asparagus	Peru
Baby corn	India
Sugar snap peas	Egypt
Sweetcorn	Senegal

We recorded where all the foods came from. Next week, we are going to write a recipe to make our own seasonal soup, then we will cook it!
