

Friday 28th April 2023

Thank you for your patience this week regarding the water issues. We have plumbers who are hoping to resolve this as soon as possible.

There have been several exciting trips this week where children have had the opportunity to learn about coding, gaming and computer programming at Microsoft; behind the scenes technical production at the Unicorn theatre including sound, lighting, costume and set design; and for Year 2, how to make pizzas at Pizza Express.

We are asking for donations of cupcakes, crisps, and juice for our Coronation Tea Party, Children can wear their own party clothes, but need to dress appropriately for the weather and for playing outside.

Our stars this week are:

Year One

This week in Year 1 we have been busy making music. We had to follow the pulse and rhythm in a piece of music.

We also planted some sunflower seeds and looked at the main parts of a plant. We labelled drawings and drew key parts of a plant.

Year Five

Year Five went on a trip to the Unicorn Theatre where they took part in a technical workshop.

We can't wait to go back and see it all in action at the Invisible Man show next term.

They learned all about what goes on behind the scenes of a show; lighting, sound, set and costume design.

MAY HALF TERM CYCLING COURSES

“ The training instructors were amazing. Even continued in the rain. Amazing service and advice. Thank you! ”
