

Friday 19th May 2023

This week some children from Y5 and Y6 entered a basketball competition and did really well coming 3rd in a tournament.

EYFS Playground Update:

The finish line is in sight. We have enjoyed watching the development of all the different areas. The wonderful team on site are due to be finished after May half term. Meanwhile they can enjoy the new ducklings that have hatched today!

Our super stars this week:

Reception

We were very excited this morning to discover that 3 of our ducklings have hatched and 2 more are in the process of hatching

Year Four

In P.E. Year 4 have been lucky enough to have expert coaching in cricket. They have learnt new skills which will be put to the test in June when they take part in a tournament.

In D.T. we are learning about British Inventors. Did you know that all the incredible buildings we are surrounded by today were made possible by the invention of 'reinforced' concrete. This is thanks to William Wilkinson. Year 4 then 'reinforced' their materials to make a sturdy structure.

Some of the children designed their structures while others built.
