

## Friday 26th May 2023

What a successful half term we have had! Our Year 5 children came 2nd in a large dance festival at Crystal Palace this week - huge congratulations and thanks to Chantal and Sarah for their support. Early years saw the successful hatching of all 5 ducklings last Friday and they have been able to observe and hold them this week. Other classes came to visit and a special thanks to Catherine for looking after them last weekend and to Claire for organising such a wonderful experience. See photos on page 3.

Finally, have a safe and enjoyable half term and we look forward to welcoming all children back on **Monday 5th June**.

Our super stars this week:

## Year One

Some of the fantastic Year 1 homework projects inspired by our work on sculpture.

We have also been finding out about the features on non fiction texts. We have been looking at contents pages, index's and glossaries.

## Year Five

Year 5 came second place in their dance competition this week, what an amazing achievement!

In maths, we have been learning about the different properties of 3-D shapes

We have also been doing lots of debating this week! During English we debated whether Macbeth should Kill King Duncan or not and in RE, whether or not animals deserve to be treated equally to humans.

What do you think?
