

Friday 9th June 2023

Welcome back! Today your child should have brought home a letter listing many of the important dates for this term as we have several exciting curriculum events to look forward to. Please check book bags or ask class teachers on Monday if you haven't received it.

Now the weather is warmer, your child will benefit from bringing a sun hat, sun cream and water to school.

We had an attendance assembly this week celebrating good attendance and punctuality. Let's make a huge effort this term to be here and on time.

Here are some of the professional photographs we have of Year 1 during their workshop at Southwark Heritage Centre where they were learning about local history.

Dates for your diary

- 12.06 - Year One phonics screening check

Year Six

Kawsar

Inspired by the rainforest paintings by the French artist Henri Rousseau, Year 6 created wire sculptures. They added Modroc and then paint to them to form the shapes of rainforest animals.

Jayda

Today we went on our sponsored walk to raise money for our end of term beach trip. All the children completed the walk. Please return any sponsorship money collected to the school office by Wednesday 14th June.

We had so much fun and we were blown away by the generosity of the general public who donated their loose change.
