

Friday 10th November 2023

We look forward to our Pupil Review Day next Wednesday when you can discuss your child's progress with their class teacher. Some of their books will be available outside the classrooms to look at while you are waiting for your appointment. We encourage children to take an active part in discussion about their learning.

Starting the following week, we will be running a set of parent workshops to help you support your children at home with their learning. Teachers will share the approaches and methods we use for learning Maths (KS2) and Phonics in school. Please do attend if you can as it will support your child's learning.

Our Stars This Week Are:

1st Place Attendance: Year 6

1st Place Punctuality: Year 1

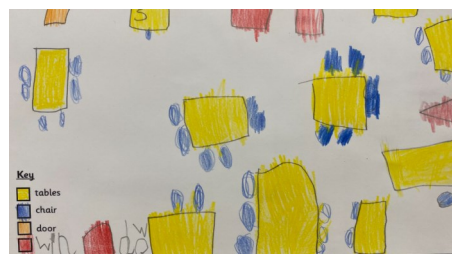

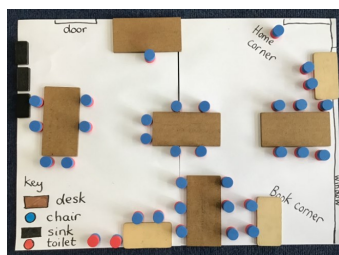

Year One

In Design and Technology, we completed our hand puppets. We sewed round the edges added eyes, a nose and a mouth and other decorations. We were really pleased with the results.

In Geography, we worked together to create a map of our classroom. We then sketched out our map and added a key.

Year Five

This week, Year 5 have been busy learning about Remembrance Day.

We made our own felt poppies and presented them in assembly.

In Art, we made ancient Greek vases and decorated them using distinctive, bold colours.

The vases will be finished off with a layer of PVA glue to make them strong and shiny.

GIVE A LITTLE, HELP A LOT IT'S TIME TO DONATE!

GET RID OF AND
—DONATE—

We have organised a community event asking for donations to help people through the cost of living crisis, sleeping rough and vulnerable people.

Donations of warm clothing, shoes, sleeping bags/blankets, tents and ambient food welcome.
