Groundwork are offering a parenting programme which we are advertising on page 3 of the newsletter. Please take a look and if you are interested then contact them directly or speak to Susannah if you have any questions.

In Reception we have been finding different ways of making 5.

We threw 5 beanbags and recorded how many landed in the hoop and how many lands outside the hoop.

Year Four

Year 4 parents attended a workshop on Maths — then they had a go at the Multiplication Times Check! Pure concentration!

Year 4 have been taking part in a fantastic cricket project. They have learnt brilliant batting, bowling and fielding skills!

Next summer, they will take part in a Cricket tournament! Keep practising!
