

## Friday 8th December 2023

Our school leaders have been busy this week. School Council met with one of our governors on Monday and talked about many areas of school life, what they enjoy, find challenging etc... They gave very positive and helpful feedback.

Some members spoke with a healthy school meals auditor from Southwark on Wednesday to discuss our healthy school meals. Children generally really enjoy the meals, and the auditors did too. Credit to our cook and kitchen assistants from Lunchtime and Co.

We also have digital leaders, sports leaders and librarians. These roles allow our children to think about others and how they can help them which resonates with our core value of responsibility.

1st Place Attendance: Year 6

1st Place Punctuality: Year 6

In Maths, Year 1 have been busy exploring 2 and 3 D shapes. We worked in pairs to sort the shapes according to their properties.

## Year One

Year 1 enjoyed a wonderful trip to London Sea Life Centre. We saw various sharks, rays, turtles, snakes, tropical fish, frogs, sea horses, jelly fish, penguins and a Crocodile as well as images of seals, beluga whales and polar bears. We even got to touch shark and ray egg sacks (mermaid's purses).

## Year Five

Year 5 had a great time making apple crumble - a seasonal special! First, we peeled and cored 4kg of Granny Smith apples before chopping them into small chunks. Then we measured out caster sugar, butter, cinnamon and 1 kg plain flour in a large bowl. The tricky bit was using our finger tips to carefully rub the mixture together until it crumbled into breadcrumbs! We laid out the apples in a large baking tray, sprinkled the crumble mixture on top, then baked for 30 minutes in Beatrice's oven. Don't you think it looks delicious? A big thank you to Beatrice and her team!
