

**Friday 12th January 2024**

**Welcome back and best wishes for the new year 2024!**

**We have NEW MEDICAL PROCEDURES - VERY IMPORTANT THAT YOU READ PAGE 2.**

You may have noticed a few new staff faces this term. We welcome Terry onto our premises team—he is covering for Arturo for a few weeks. We also have Jonathan, a new specialist music teacher who will be joining Chashe in giving Friars children a great music education.

We are having our hot and cold pipes upgraded in school over this half term. All necessary safety measures are in place and the work starts on Monday. This will be mostly out of school hours or works on the roof. The team are very used to working in schools.

**Children have worked hard on their homework projects this term. Please see photographs of some on page 3.**

## Medical procedures

Depending on the nature of injury your child receives, the following procedures will be followed after the injury has been treated:

Non-head injuries/ not serious - you will receive a letter

Head injury without visible bump/mark - you will receive a letter and text

Bumps or mark on head/face or more serious injury - we will phone you and you will receive a letter

Text will say:

Your child has been treated for a minor bump to their head/face. There is no visible mark. We will continue to monitor them.
