

Friday 19th April 2024

We were happy to see all the children returning to school for their summer term this week.

There have already been exciting additions to our curriculum with girls football for **Years 1-4** which will be taking place on **Tuesdays** for the rest of this half term.

Into University also held a workshop with Year 3 and 4 children, and music lessons have started for all classes.

Year 4 will be learning to play the drums this term.

Please have a look in your child's homework book for our half termly parent leaflets which tell you all about the curriculum subjects that your children will be learning.

We have replaced Mathletics with a new Maths programme called **Freckle**. You should find a log in for your child in their homework books by the end of next week. Teachers will set work but there are also additional Maths activities and games to play.

1st Place Punctuality: Year 6

Year Two

We have been using clay in Art. We made pinch pots., decorated and painted them.

Year Five

Year 5 children returned this week with great enthusiasm and creativity! In English, we explored the setting of Shakespeare's *The Tempest*.

We acted out the main characters in the story and imagined how it might feel to arrive on a strange island far from home.
