1st May 2024

SATS WEEK MAY 2024

Dear Year 6 Parents,

Your child will be taking their end of primary statutory tests from Monday 13th May – Thursday 16th May. Tests need to be completed on the days scheduled for them:

Date	Activity
Monday 13th May 2024	English grammar, punctuation and spelling papers 1 and 2
Tuesday 14th May 2024	English reading
Wednesday 15th May 2024	Mathematics papers 1 (Arithmetic) and 2 (Reasoning)
Thursday 16th May 2024	Mathematics paper 3 (Reasoning)

If your child is unwell then please contact the school by phone or email before 8.30am. We can then look at how we organise for them to complete the test.

We are offering a free breakfast for all year 6 children on these test days which will run from 8.15am-8.45am (breakfast available until 8.30am). Your child is welcome to attend – please let us know if they would like breakfast on the reply slip below.

It is really important that you child arrives in school by 9am at the latest so that they are ready to start the tests on time. Some children will take the test in their classroom and others will take their tests in the computing suite.

We will be practising test style questions and giving out homework in preparation for them. Please help your child with this. We wish them all the best of luck with the forthcoming tests and will ensure that they are encouraged and supported through this process.

Yours sincerely,

Jo Wratten and Terry Maragh

To the school office:

I would/would not like my child _____ to come into school for the free SATs breakfast.
